BARTS LIFE SCIENCES DISCOVERY / DIVERSITY / DELIVERY

HealthTech SM Es (Must be active or registered in London)

Looking for entrepreneurial training and help navigating the NHS?

Navigating the NHS landscape is a challenge. That is why we will be running NHS Navigation Days. Please follow our [LinkedIn](#) and check out our [website](#) for availability and further information.

Do you require more specialised support?

We will be running small scale Masterclasses, as an opportunity to go into more depth on specific topics (e.g. IP and Regulation).

Interested in taking on an intern?

If your SME is available to support an intern while receiving support from Barts Life Sciences HealthTech, please express your interest by emailing us.

Need one to one support, or something else?

We will be hosting 1-2-1 advice clinics for bespoke support for your SME or innovation. Please visit our website or email us for further information.

Local Community

Interested in shaping the HealthTech programme?

We are keen to hear your thoughts, that is why we are setting up a dedicated patient and public involvement and engagement group. Check out our [website](#) for further information on available opportunities.

Want to know about the work we are doing to shape the future of healthcare?

Barts Life Sciences is transforming healthcare for London. Follow us on [LinkedIn](#) to keep up with our latest work. We also regularly update our [website](#).

Ready to develop your skills alongside an SME?

The HealthTech programme will be launching an internship scheme in 2024.

HealthTech Ecosystem

Are you part of the HealthTech ecosystem and interested in sharing opportunities?

We would love to hear from you, and discuss collaboration opportunities. If you are a healthtech organisation, network, or are just interested in learning more, please contact us via healthtech@bartslifesciences.org

Do you have expertise you can bring to Barts Life Sciences?

NHS

Are you part of Barts Health NHS Trust?

We have internal developments too behind the scenes, and are keen to work with Barts Health NHS teams and staff to improve the internal ecosystem.

External NHS Landscape Organisation

We would love to share experiences that can shape the life sciences landscape nationally. Please contact us for an intro and to join our network.
