Connected to Barts Health NHS Trust

We are a partnership between Barts Health NHS Trust and Queen Mary University of London.

NHS HealthTech **Ecosystem**

Working alongside Barts Health NHS Trust, we are fostering an innovative ecosystem.

Working as part of **Barts Health NHS**

Behind the scenes, we are developing an internal framework for supporting innovation Trust wide.

Working Locally and Nationally

We are working nationally with NHS England, and the HealthTech ecosystem to seek opportunities to improve the landscape for SMEs and Innovators.

Opportunities for Innovation at the NHS

We want to communicate NHS priorities and criteria back to SMEs, making navigation of the NHS easier.

Supporting HealthTech Deployment

• We want to ensure that the HealthTech benefits our patients, staff and communities
